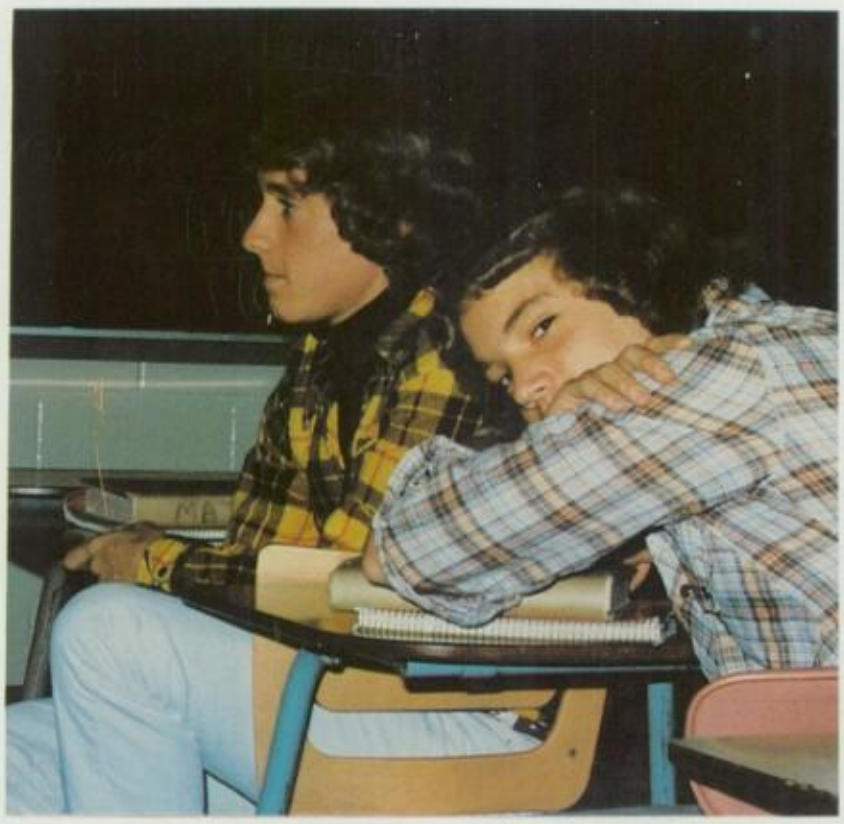
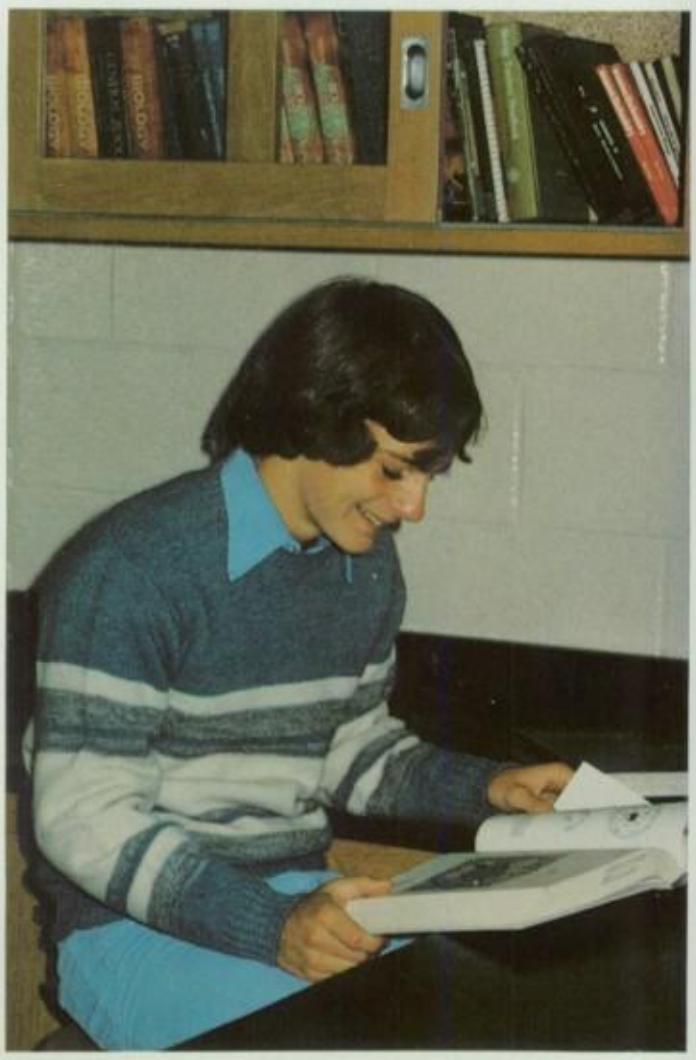
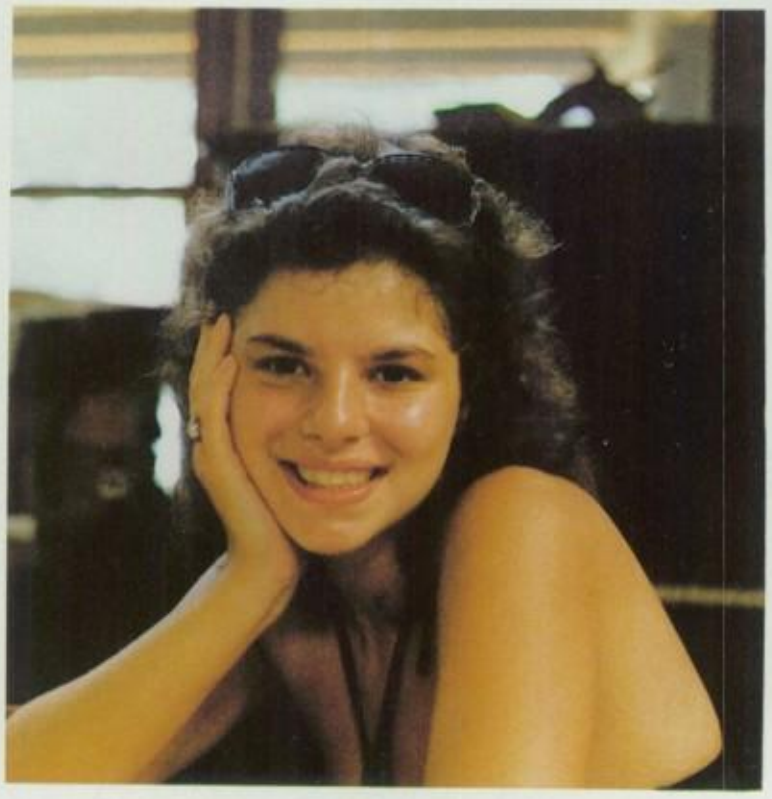
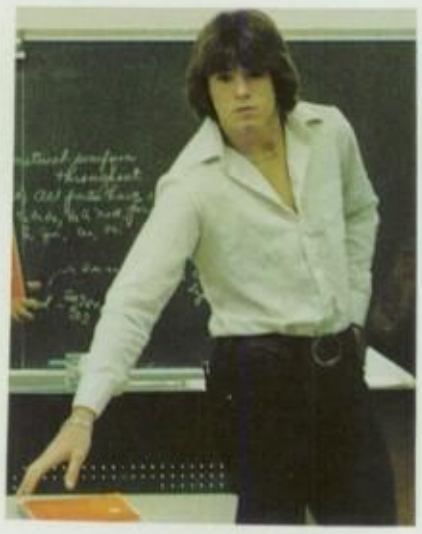
Progress is not merely
improving the past,
it is moving forward
toward the future.
Kahlil Gibran

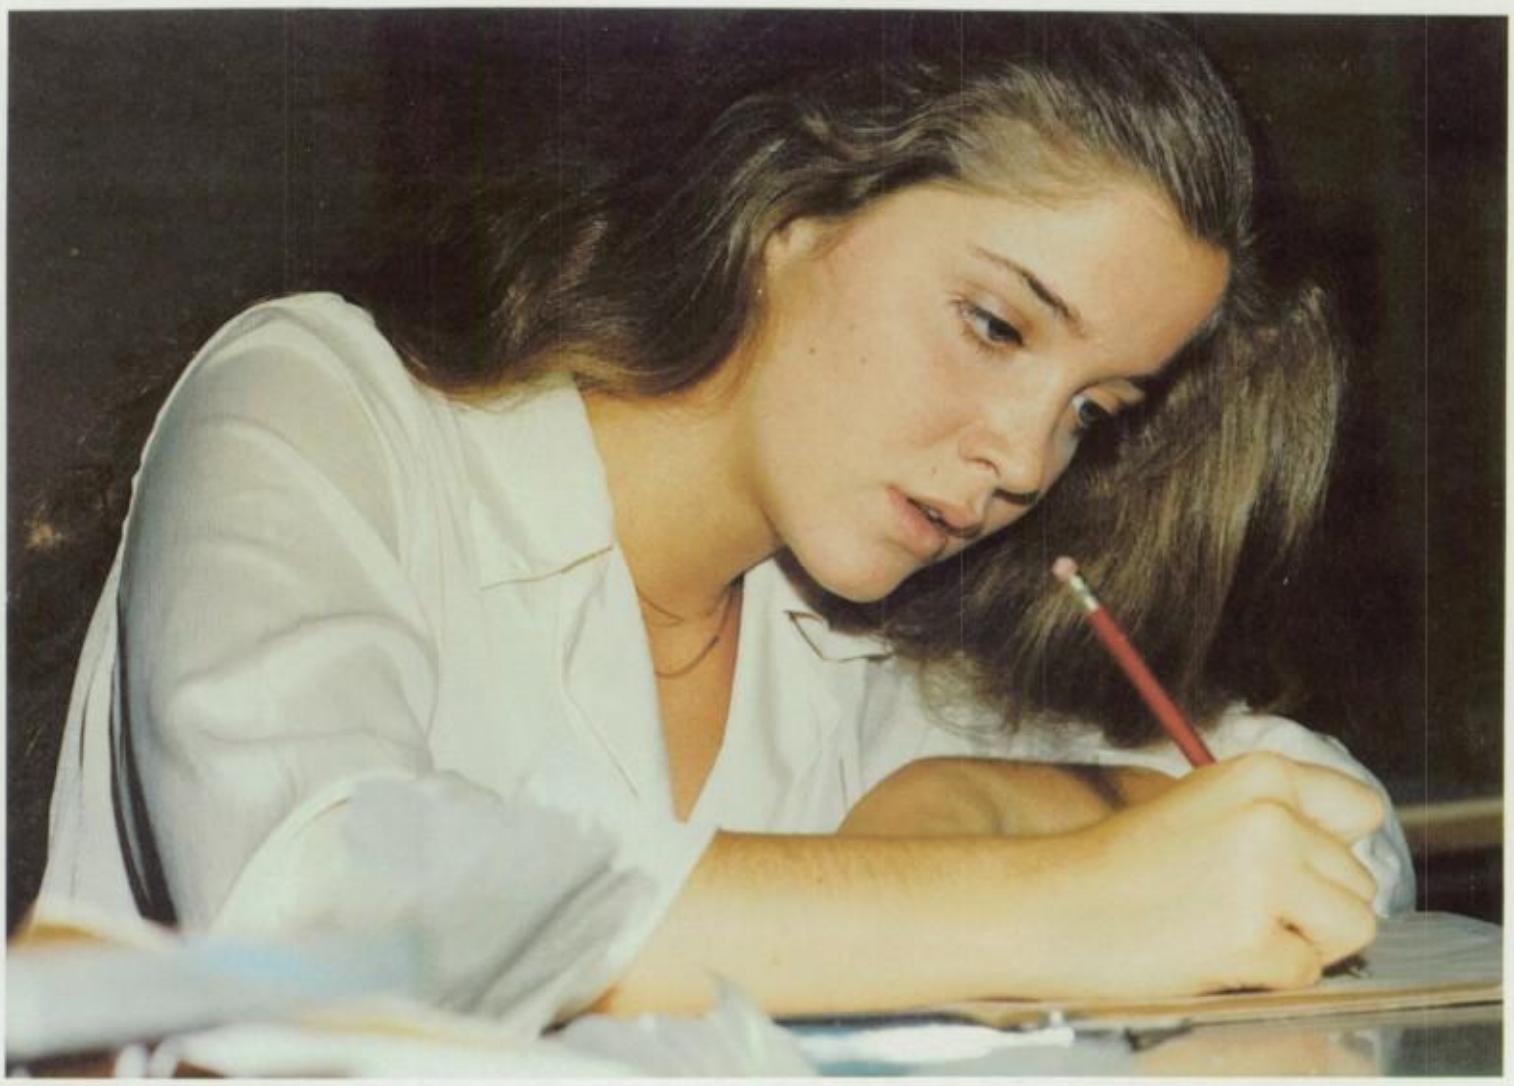
MOVING OUT

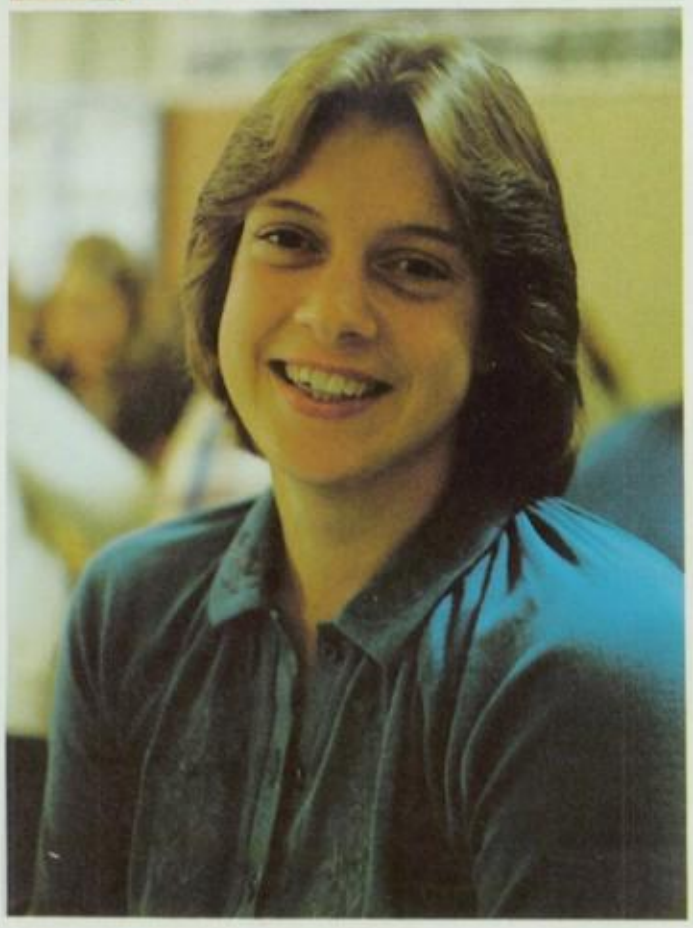


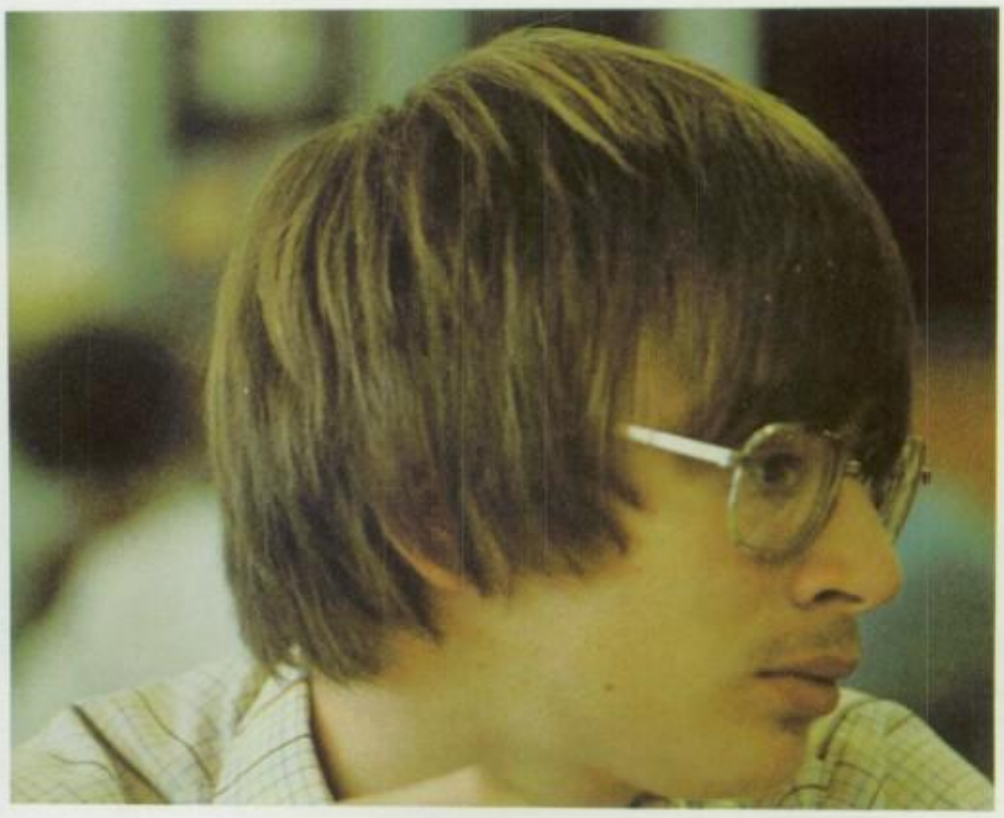


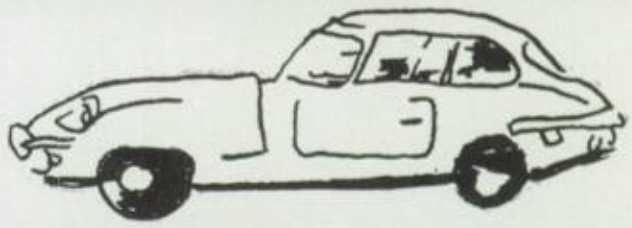






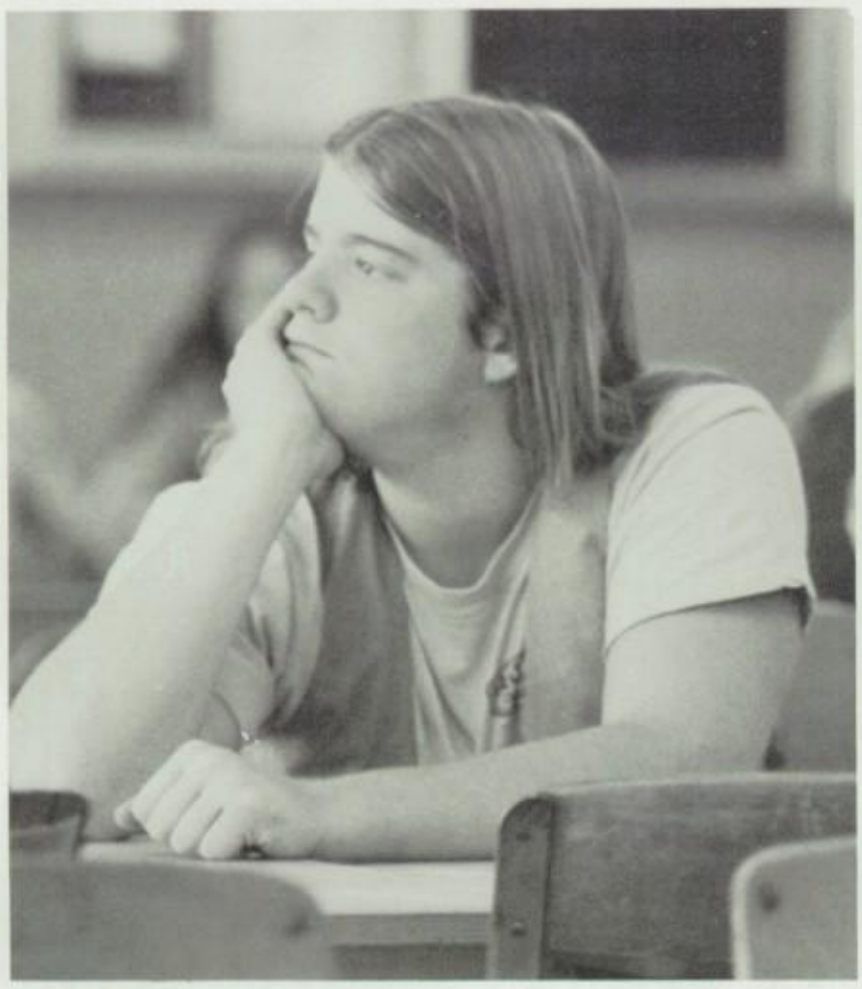


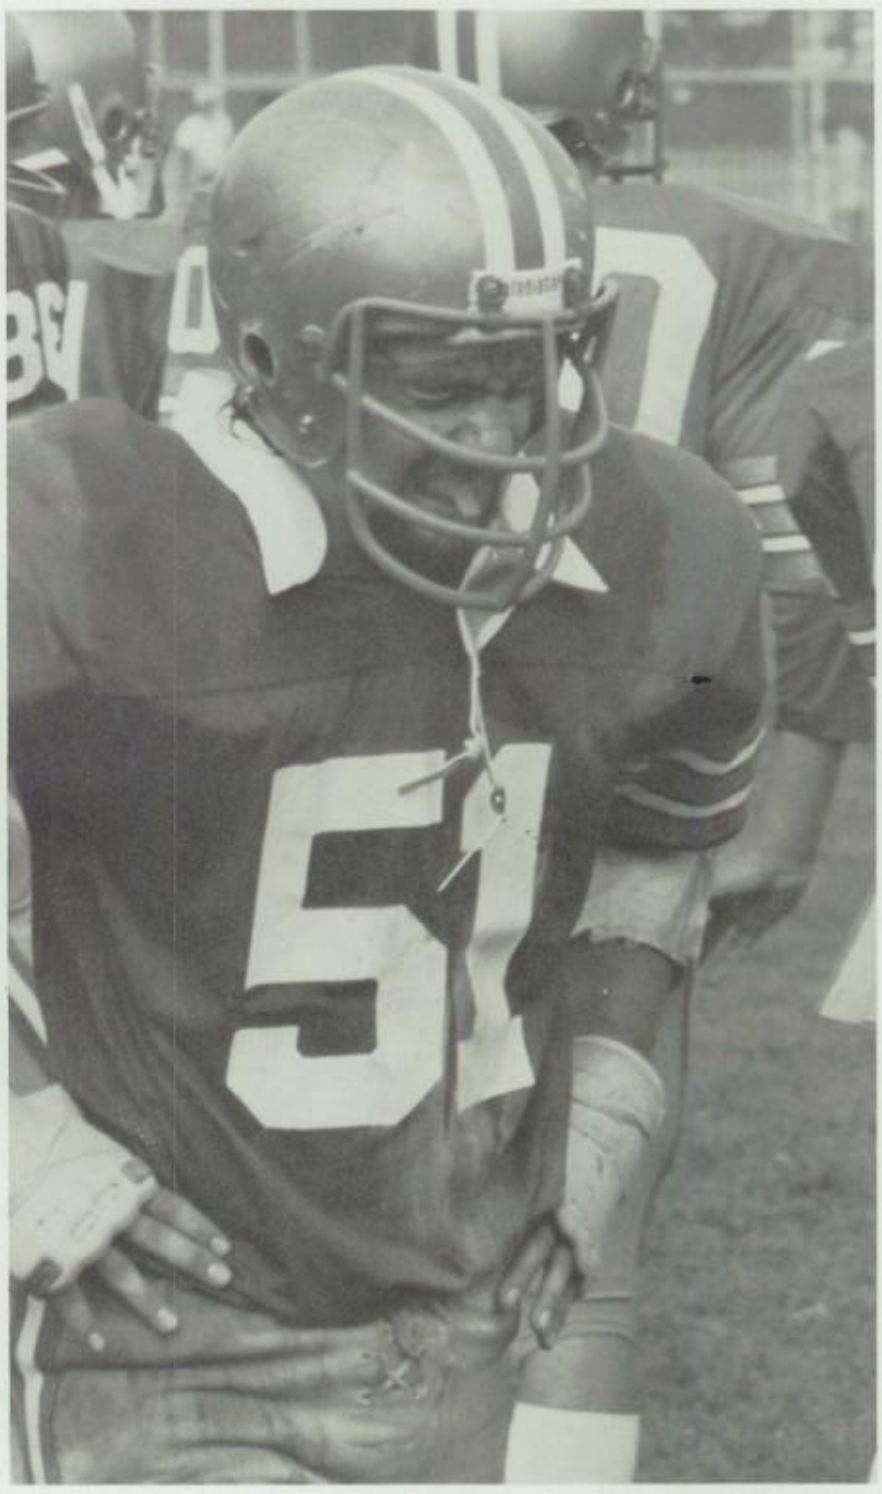




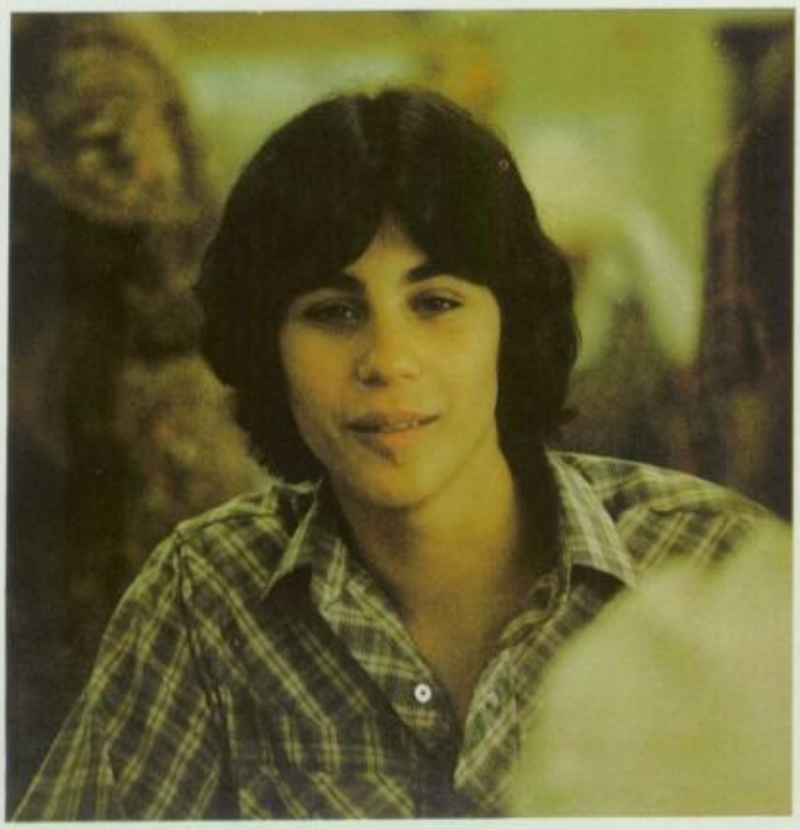
Travel Log

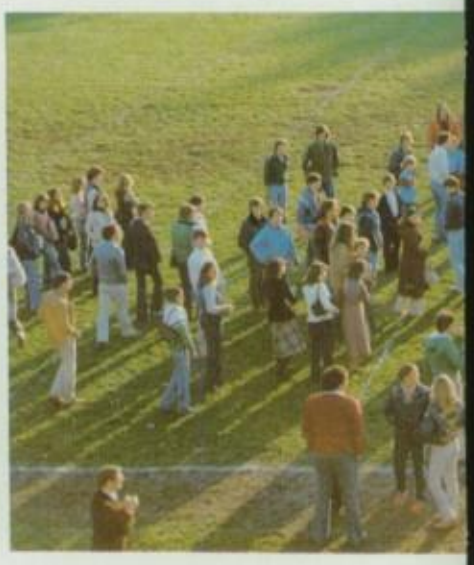
We finally did it! We're graduating at last: from freshmen to seniors, from mopeds to cars - we've come a long way. The road ahead may be rough, but with our skills it will be easy to steer clear of any obstacle. It is necessary that we keep moving on, for now we have bigger and wider bridges to cross, each one holding responsibilities that only we, as adults, can successfully handle. Every accomplishment, no matter how insignificant it may seem, is a step in the right direction and is the only possible course toward achieving our goals.



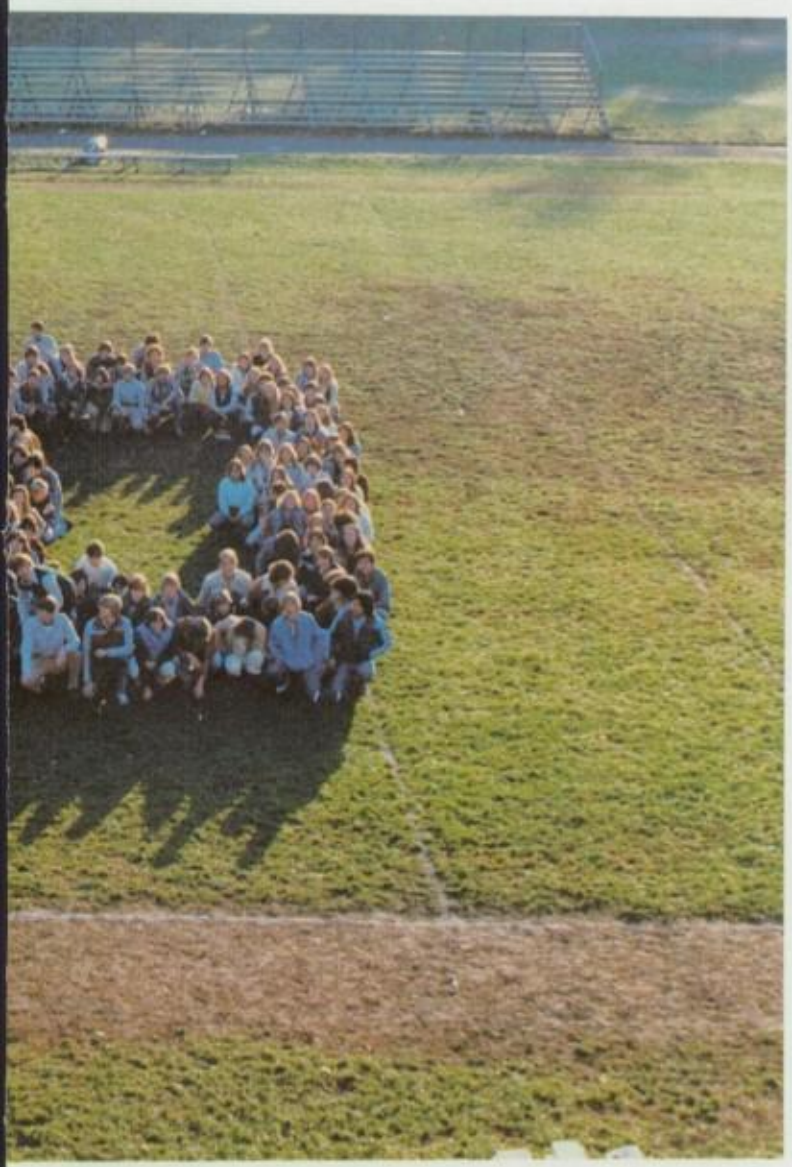


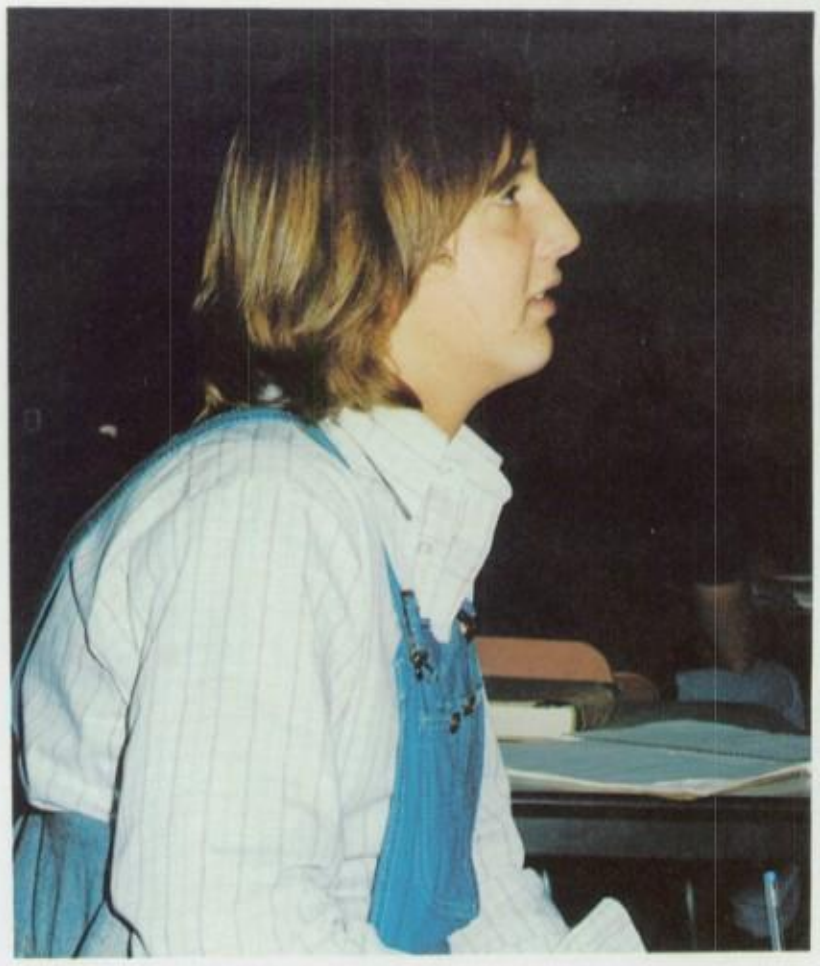
Makings Of The

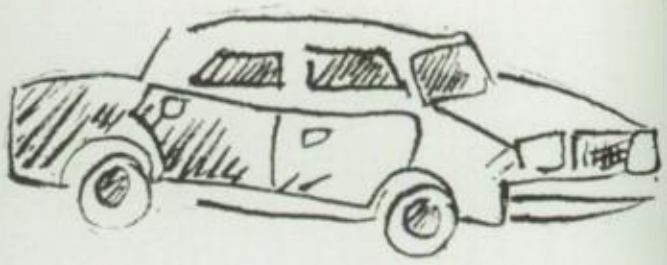




Class Of 1980

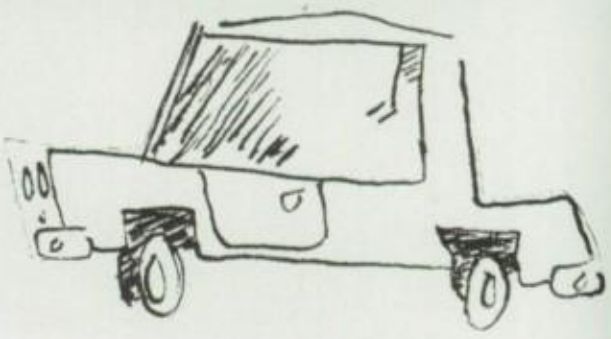




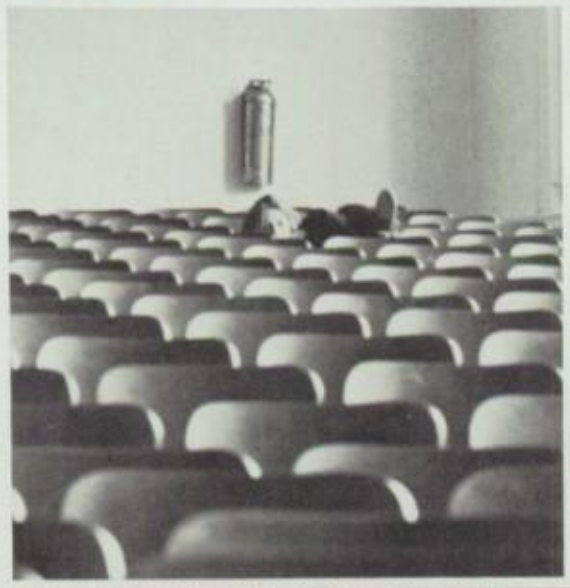


OH NOOO!!

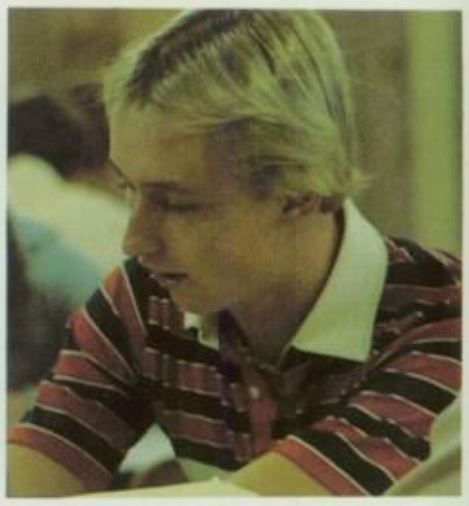
20

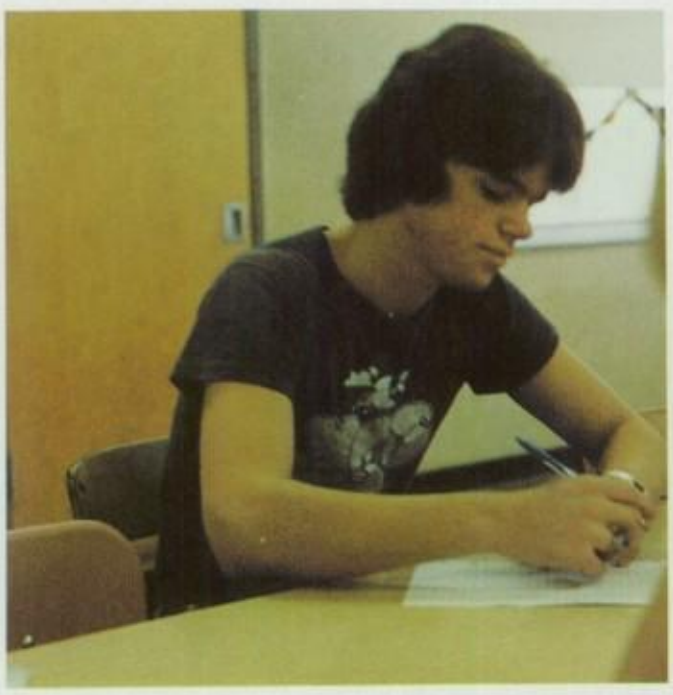


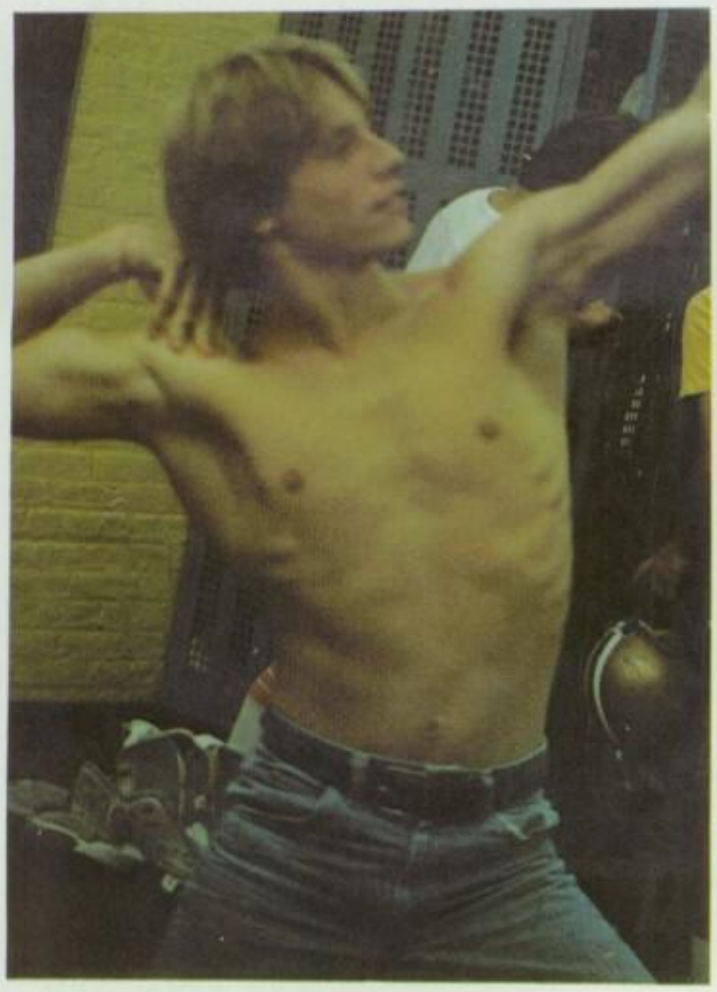
I know I have the
best of time and space,
and was never measured
and will never be measured.
Walt Whitman

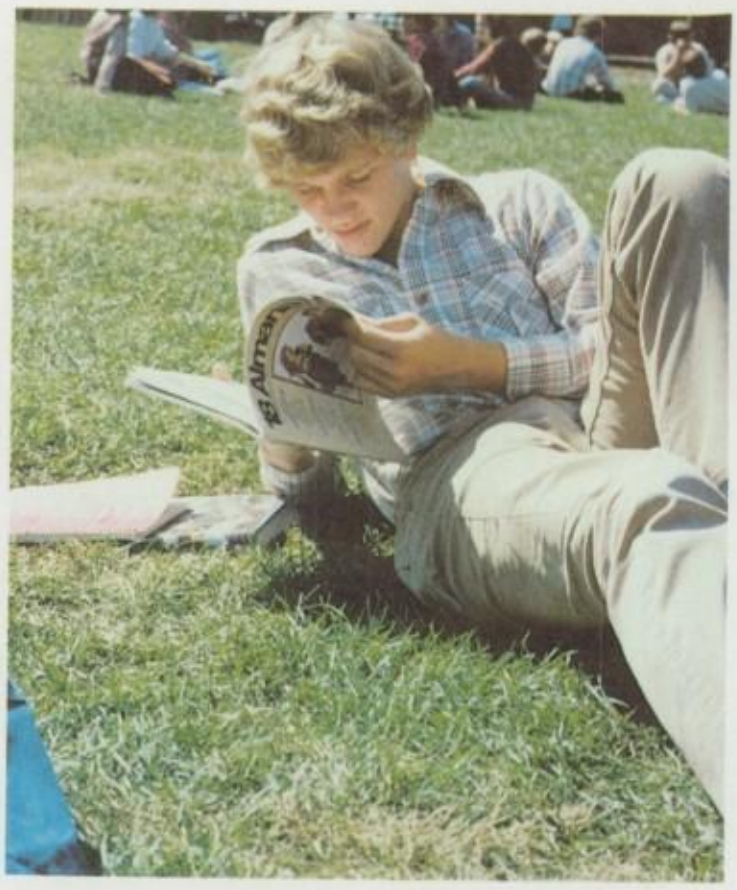


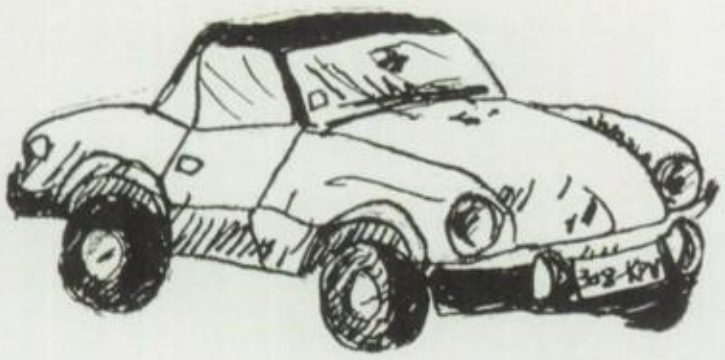
11

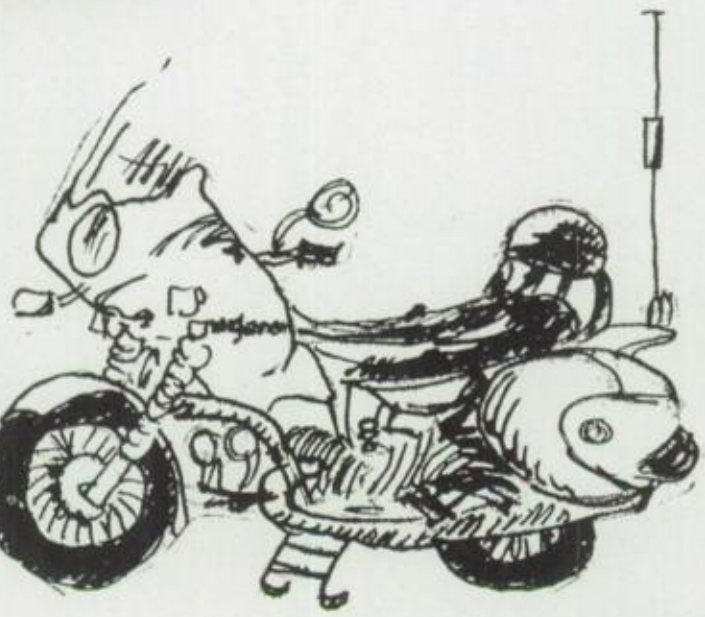


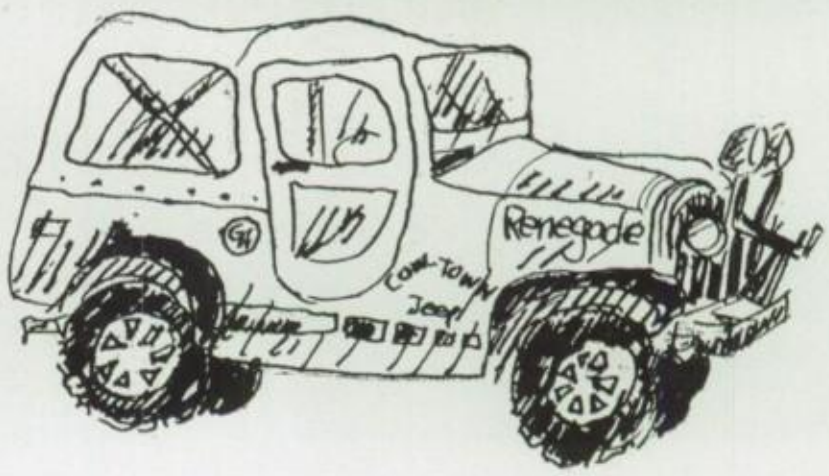












Renegade

Once in a vision
I came on some woods
And stood at a fork in the road.
My choices were clear,
Yet I froze with the fear
Of not knowing which way to go.
One road was simple:
The acceptance of life;
The other road offered sweet peace.
When I made my decision
My vision became my own release.

Dan Fogelberg

You can dream, but you can never go back the way you came.
Jackson Browne

MARGARET ANN LEPERA

"All the world's a stage
And all the men and women are merely players.
I hold the world but as the world,
A stage where every man must play a part.
Life's but a walking shadow, a poor player
That struts and frets his hour upon the stage
And then is heard no more."
William Shakespeare

National Honor Society

Officers:
President- Scott Branch
Vice-President- Mark Juhn
Treasurer- Beth Omundsen
Secretary- Carrie Notari

The Honor Society is both an academic and service organization. Requirements for admission are a 3.3 grade point average for three years and evidence of service to the school and community. As an organization, the Ramsey NHS works with the Special Education students with a winter holiday party; tutors students in many areas of the curriculum; has made gifts for an orphanage; and is now looking for ways to expand its service to the community and school by tentatively providing a "buddy system" for new students; adopting a foster child; and working with the National Cerebral Palsy Organization.

Stage Crew members function behind the scenes creating props and scenery, developing special effects, and controling proper lighting for productions and special events. This is often a formidable task requiring long hours of preparation. However the rewards of a successful performance are as real back stage as on stage.

GAL

Guardian Angel League, also known as G.A.L., is a club responsible for supporting the senior athletes by generating school spirit throughout Ramsey High. Each week members decorate and fil the senior athletes' lockers with candy and baked goods.

The Marching Band

The Big Blue Marching Band had an extremely successful season this year, placing high in the 6 competitions they attended. The low point of the season was at Hawthorne where the band took a close second. With hard work, the band also took first at Pompton Lakes Wayne Valley. For the second consecutive year the band was chosen as one of the top ten, and invited to the State Festival at Piscataway. The band also competed in the Sectionals of the Tournament of Bands at Elizabeth taking a second place. Because of this the band was able to compete at the East Coast Finals at Allentown, Pa.

NUGGET Staff

What do you think so far? Hopefully, you'll find something in this book to like, even if in your picture your hair is messed up or you're looking the wrong way. We staff members have gone through a lot of hard times to bring this book to you. The making of this book has been one big headache from start to finish. Even though we've had all kinds of trouble, it's been a lot of fun. If you're an underclassman and think you could have made this book better, then make a better one next year. If you're a senior and have any complaints, why didn't you try to become editor yourself?

The 1979 Rams enjoyed another fine season. Lacking experience they matured quickly to capture their second consecutive league title. For the third year in a row they qualified for the state playoffs, and outplayed a tough Hoboken eleven. The Highlight of the season was the stunning victory over Mahwah on Turkey Day, a victory the seniors will never forget.

Both the boys and girls cross country teams enjoyed fine seasons: the boys won the BPSL championship, capping off an undefeated league schedule with a league meet victory. The team also won the State Sectional championship and was rated fourth in Bergen County. The girls were also undefeated in league competition and became league champions. The boys were led by Jack Marino, who won three invitational races, Dave Katz, Bob Manson, Tom Dalton, and Jeff Neiblum. The Girls were led by Ridgewood Invitational and BPSL Meet champion Kathy Jones, Erin and Coleen Murphy, and Maria DeArmas.

Taking in to account that this was the first year of girls Varsity Soccer, the girls showed alot of spirit and enthusiasm. Our record of 4-4-3 does not show hard work the team displayed. The team was led by Joan Tommaney and Tricia Cancalosi as Co-Captains, and coached by Bruce Stead. Since the team is only losing three seniors, Kate Hauck, Sandy Mollica and Colleen Walsh, they are looking forward to a very successful season next year.

Our record this year was 11 wins and 7 loses. We had hoped for better, but were happy that we improved on our team play and sometimes played on a superior level. With five starters returning, we are hopeful for a great season next year. We will miss our seniors: Kathy Hynes, 1st team All-League, is our most consistent player who saved many points for us, and Donna Fusco who has helped us out as both setter and spiker whenever we needed her and who's spirit and enthusiasm always kept us together.

For the fifth straight year Ramsey Field Hockey was rated number one in Bergen County. The team, winners of every county tournament ever contested in Bergen, was as strong as ever this year. The attack was a much more balanced one this year. The offense was led by high scoring seniors Robin Forhecz and Jodi Bares. The defense was anchored by fine midfield Caroline Gallagher, full back Amy Scheffler and sweeper Judy Farnham. The teams only loss was a 1-0 game with Millburn. The girls had a truly outstanding season: League, and State sectionals and county champs with an over all record of 16-1-1.

The dissappointing record of 4 wins and 5 losses does not reflect our gymnastics team's fine talent and high morale. With only 4 letter-women returning this year, seniors Lorraine Markana, Co-capt. Dorie Rathmell, and Co-capt. Lauren Rutten led the young team to a fine scoring season against some tough teams. State Sectional qualifiers were Dorie Rathmell and Karen Bahmul. Coach Barbara Muller is hoping for a good season next year with a lot of good talent returning.

Dedication

Miss. Mary P. Foran

We the class of 1980 would like to dedicate the teacher's section of our Nugget to Miss. Mary Patricia Foran, a woman who has consistently and continuously demonstrated her dedication to Ramsey High School. Since 1938, she has served in our school as both teacher and vice principal and has assisted in the education of Ramsey High School students throughout the years.

After graduating from Trenton State College with a B.S. degree, she came to Ramsey High School in 1938 to teach Business. She continued her education simultaneously with her teaching and obtained her M.A. degree from N.Y. University. She then attended Seton Hall for additional graduate work in administration. In 1943 she enlisted in the navy and was commissioned as an ensign. She returned to Ramsey High School in February of 1946 after being discharged as a lieutenant. In October, 1964, she became assistant principal and has served this position until her retirement this year.

We the students are grateful for Miss Foran's years of devotion and service. She has contributed extremely to Ramsey High and will not be forgotten.

The yearbook staff would like to express its appreciation to its advisor, Mr. Louis Molino. Mr. Molino took the job of yearbook advisor as a favor to the staff members, and proceeded to do an exceptional job of handling the numerous crises which arose around the book's production. Without Mr. Molino's help and guidance this book would never have come into existence. He took time away from his busy schedule of teaching and coaching to assist the staff in many ways. We all appreciate everything he has done for us.

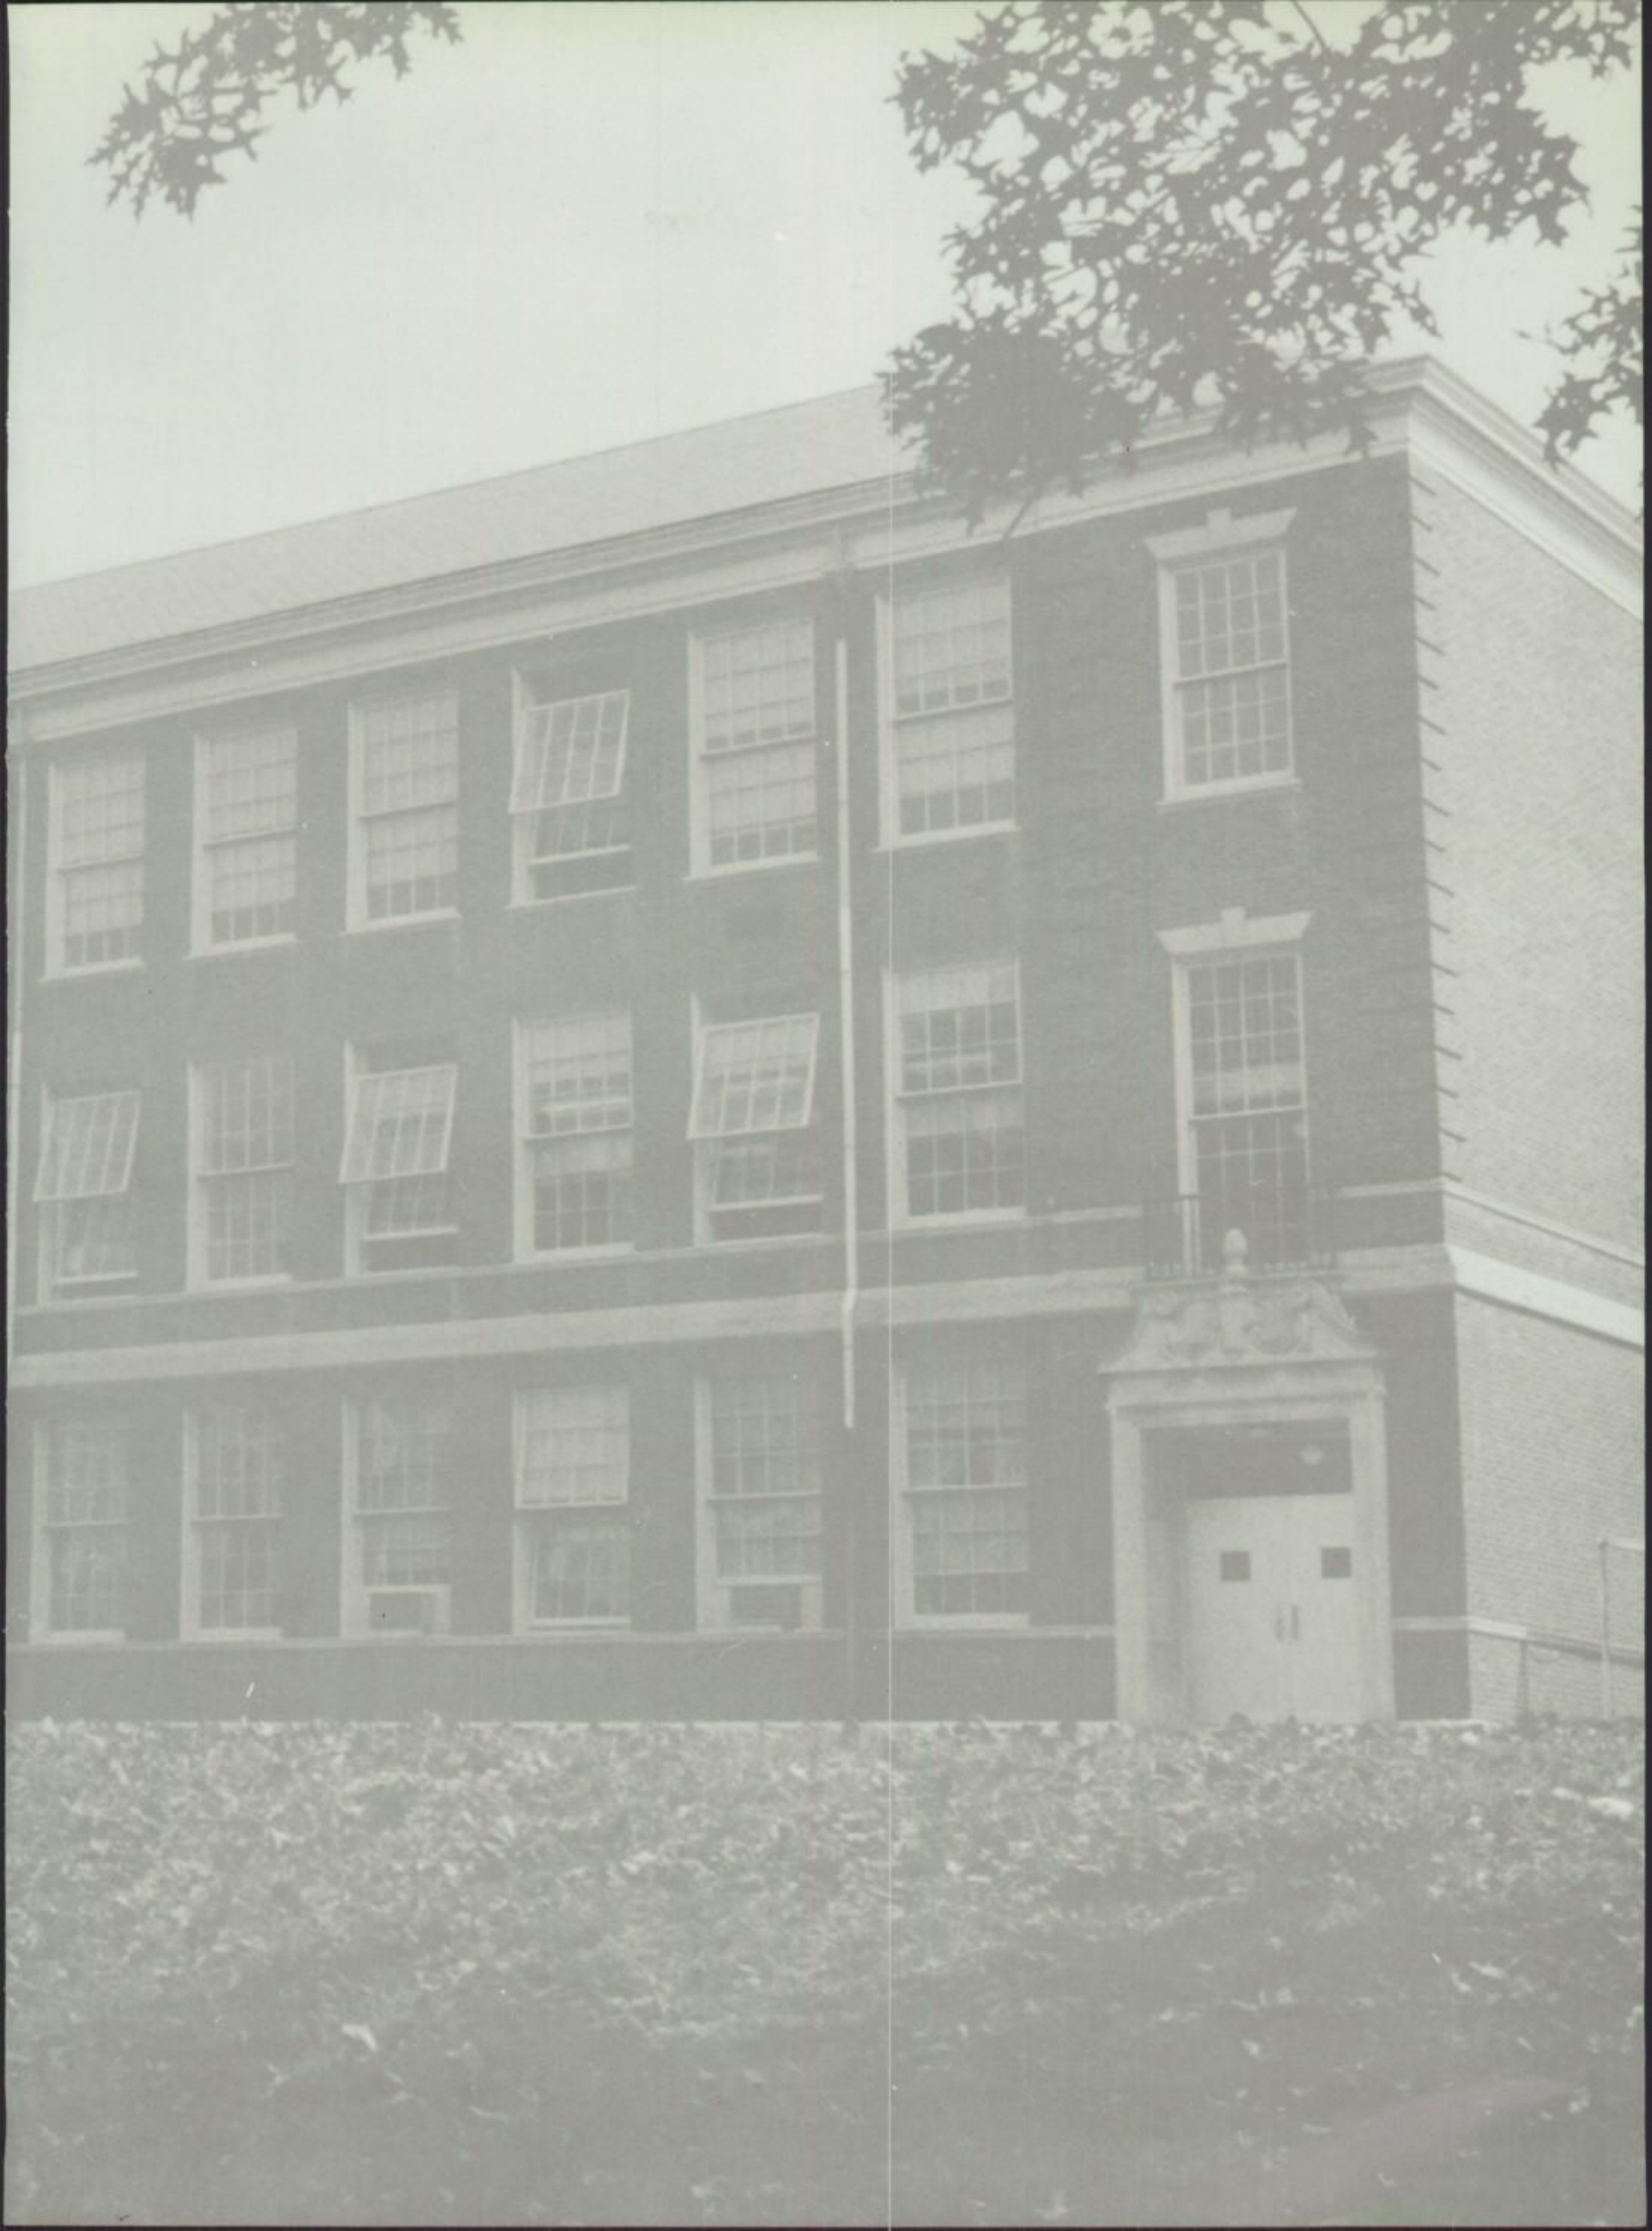
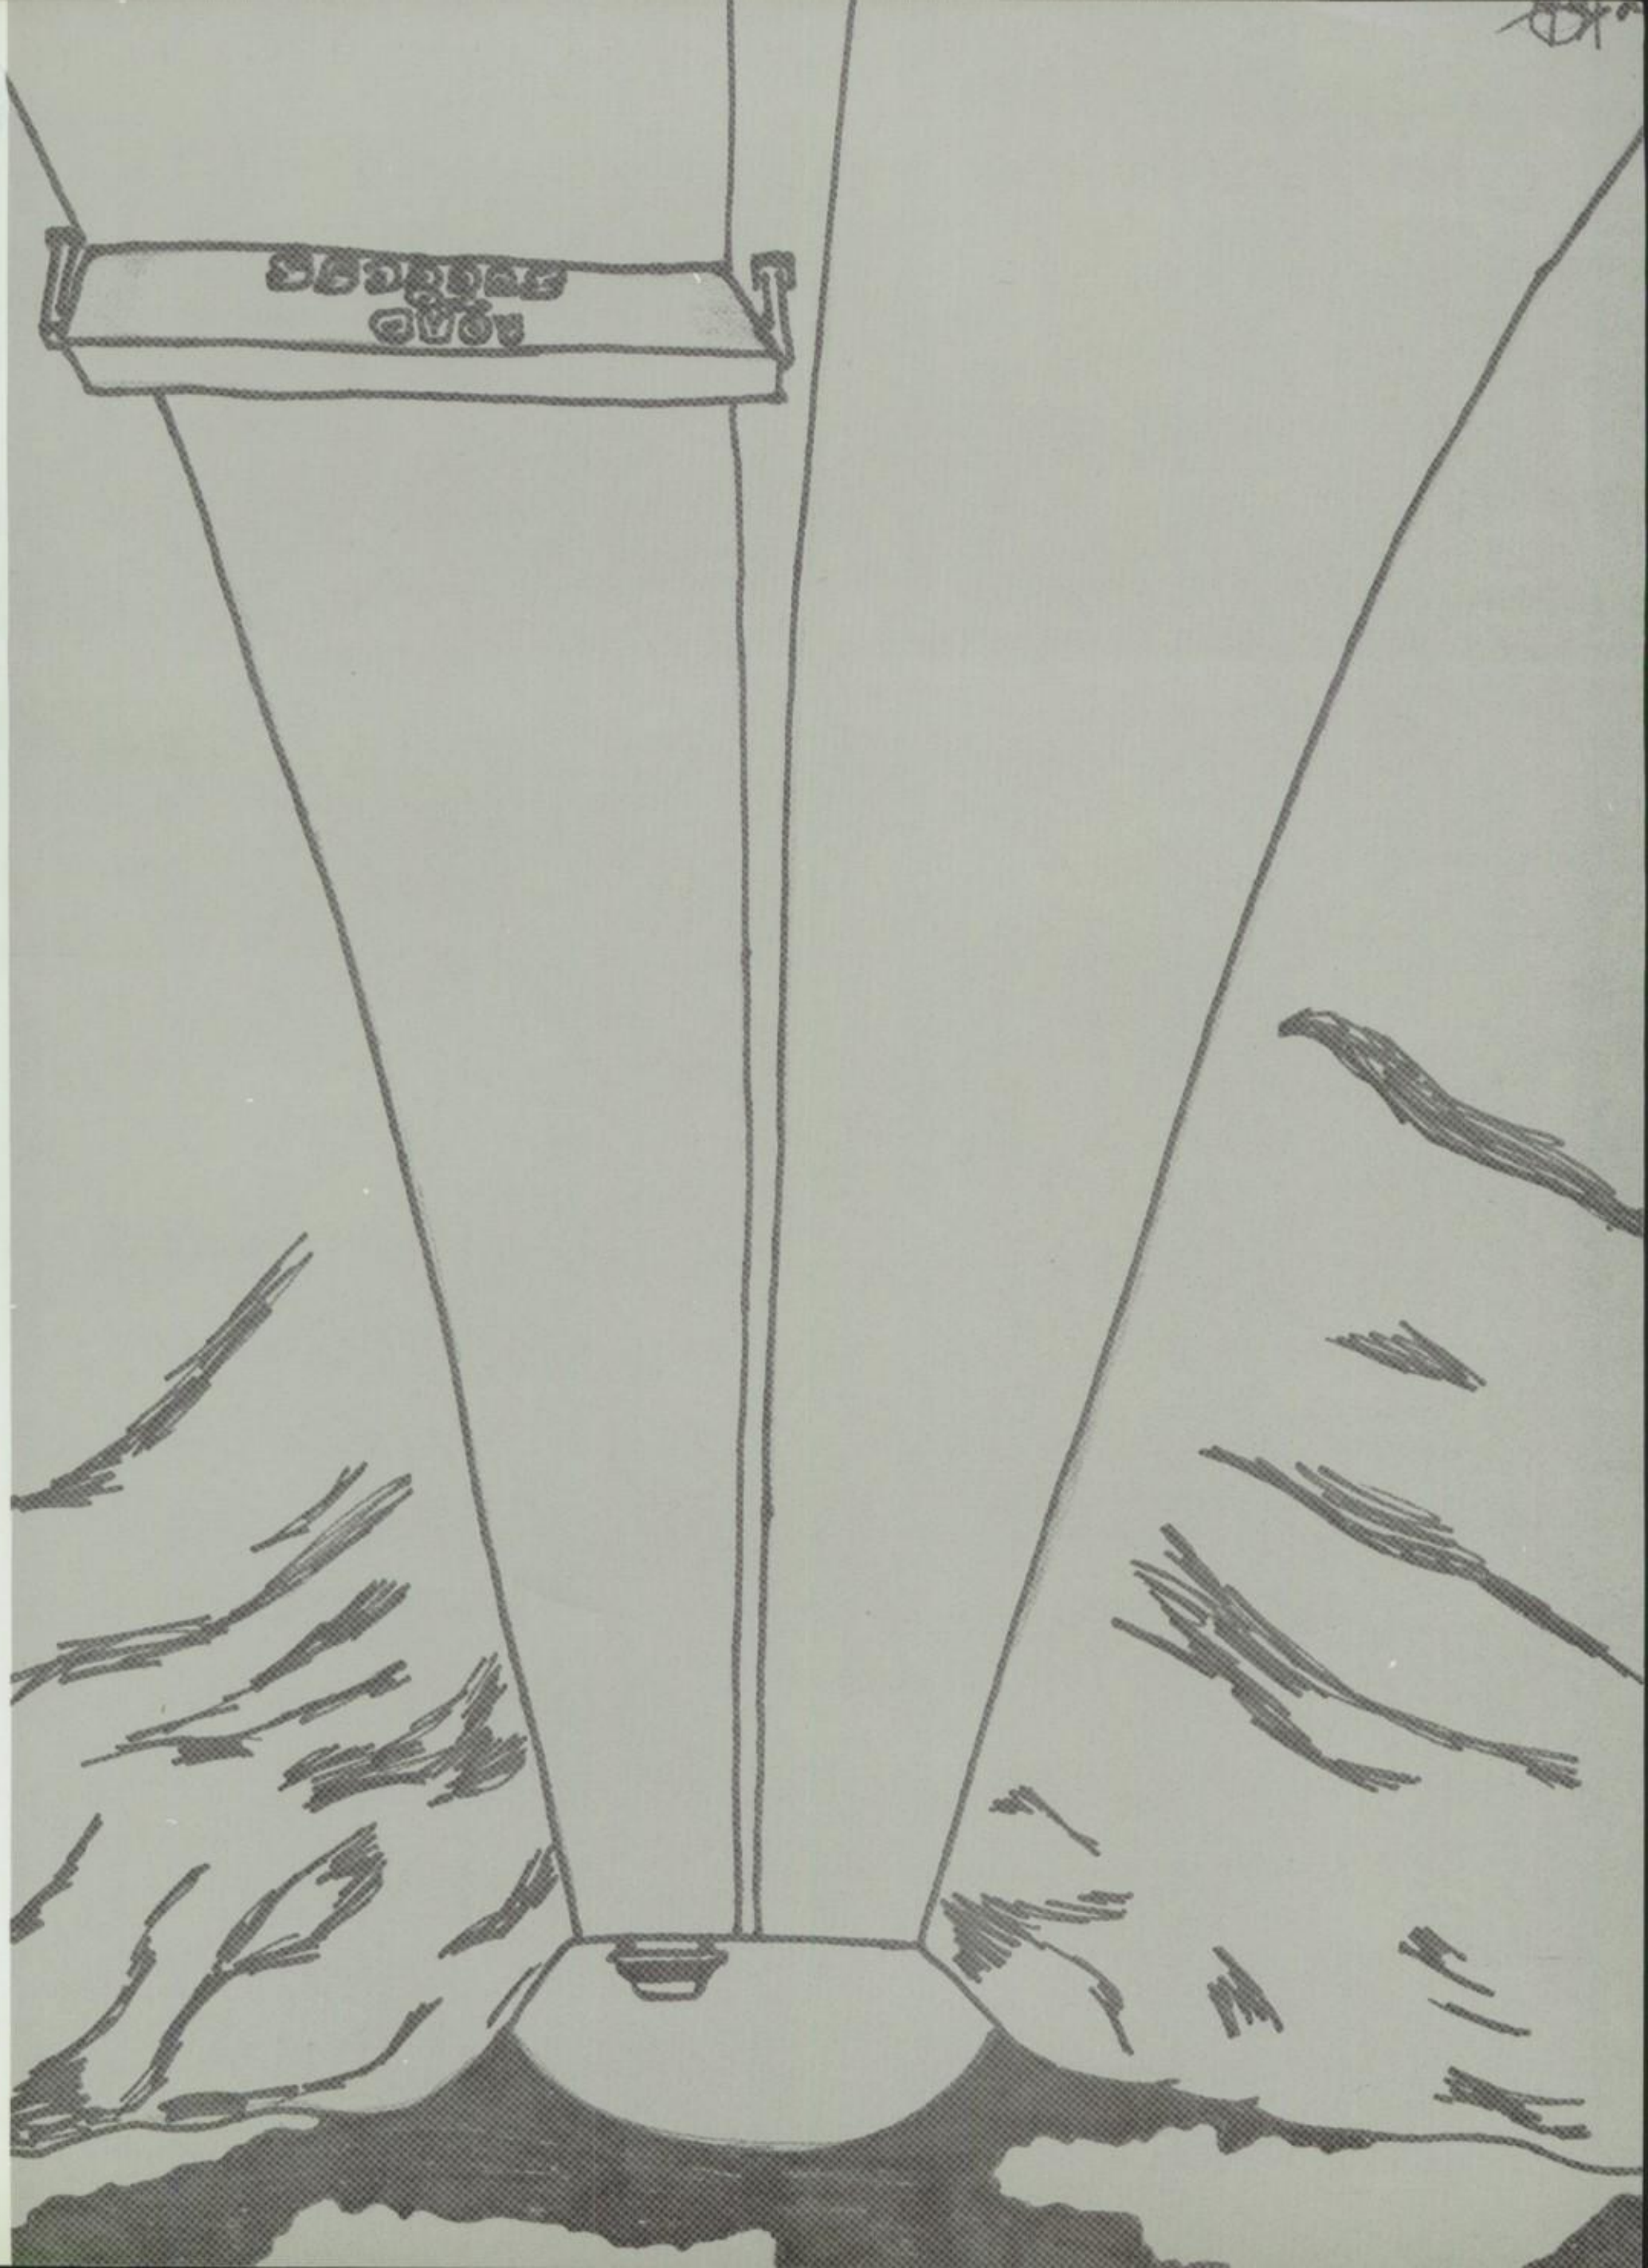
Message From The Class Of 1980




We the class of 1980 will always remember the friendships and knowledge we have shared with our fellow students and teachers throughout our four years in high school. The road to adulthood cannot be travelled alone; rather, the support of many individuals is needed for our futures to be successful and prosperous. Without the assistance of all of our friends- both teachers and students - our trip could never be as enriching, nor as meaningful to our lives. Our gratitude for all that you have given us goes far beyond words written on a single page it encompasses a larger scope of thoughts and memories which we would find difficult to express in a lifetime.
